## Attached Staff

Attached staff should check the Cover Board & their pigeon hole each morning as their AHT or Year Heads may need them to support the pastoral team in some way. This may mean doing a register to allow the tutor to speak to a pupil/parent; or supporting the HoY in collecting info; or if required in an emergency covering a register due to Staff absence. It may be that a regular duty, which happens every week may be assigned to them. On Assembly days they should go to the Hall to assist in the seating and checking of students as they enter the Hall.
