

Below, you will see the prayer we have been praying over the students this year. We would encourage you to continue doing this throughout the year that they may know the reality of God's promises in their lives.

Mrs D H Lake
Deputy Headteacher

Who does God say I am?

I am one in 7.5 billion people. I am unique, for his wonderful purposes¹. There is no one like me. The bible tells me I am marvellously, carefully and wonderfully made². I have been equipped with a unique set of skills, talents and abilities all designed to help me play an important part in making the world a better, kinder place full of people who know and love Jesus Christ and know His will for them. I am totally loved by my Heavenly Father. He loves me and is always with me. When He looks at me He is proud of His handiwork and He celebrates me³ because He does not see as the world sees or judge as the world judges. He always Sees the real Me, He will always love the real me. The real Me is who he made me to be and I am loved by Him.

I am unique in Him

¹Ephesians 2:10

²Psalm 139

³Zeph 3-17
