### **Legal Framework**

This policy has due regard to legislation and statutory guidance, including, but not limited to, the following:

- DfE 'Careers guidance and access for education and training providers' 2018
- Education Act 1997
- Education and Skills Act 2008
- Apprenticeships, Skills, Children and Learning Act 2009
- Equality Act 2010
- Children and Families Act 2014
- Technical and Further Education Act 2017

### **Roles and Responsibilities**

The governing body is responsible for:

- Ensuring that all registered students at the school are provided with independent careers guidance from Year 8 to Year 13.
- Ensuring that arrangements in place to allow a range of education and training providers to access all pupils in this range and inform them about approved technical education qualifications and apprenticeships. A policy statement will set out these arrangements.
- Ensuring that the independent careers guidance is presented in an impartial manner, showing no bias or favouritism towards a particular institution or work option.
- Ensuring that the guidance includes information on the range of education or training options, including apprenticeships and technical education routes.

- Ensuring the Careers Policy does not discriminate on any grounds, including but not limited to: ethnicity/national origin, culture, religion, gender, disability or sexual orientation.
- Handling complaints regarding this policy as outlined in the school's complaints procedure policy.
- Providing clear advice and guidance to the Headteacher on which they can base a strategy for careers education and guidance which meets the school's legal requirements.

The Careers Leader is responsible for:

- Managing the provision of careers information.
- Liaising with the Headteacher and the careers advisor to implement and maintain effective careers guidance.
- Liaising with the PSHE leader and other subject leaders to plan careers education in the curriculum.
- Liaising with tutorial managers, mentors, the SENCO and head of sixth form to identify pupils needing guidance.
- Referring pupils to careers advisers.
- Establishing, maintaining and developing links with further education colleges, universities, apprenticeship providers and employers.
- Providing pupils with effective careers guidance and supporting social mobility by improving opportunities for all young people.
- Supporting teachers of careers education and tutors providing initial information and advice.
- Monitoring teaching and learning in careers education, and the access to and take up of career guidance.
- Advising senior leadership on policy, strategy and resources for careers education, information, advice and guidance (CEIAG).
- Preparing and implementing a development plan for CEIAG.
- Reviewing and evaluating the programme of CEIAG.
- Encouraging the training of school staff to promote careers guidance to their pupils.
- Using the Gatsby Benchmarks to improve the school's careers provision and ensure compliance with legal duties, with an ultimate aim to meet all benchmarks.
- Allowing pupils to have access to providers of technical education, such as colleges, and apprenticeships to ensure every pupil is well-informed about their future options at every stage.
- Using the Compass tool for self-evaluating the careers provision the school offers.
- Publishing details of the school's careers programme and a policy statement on provider access on its website.
  - Providing thorough, personalised career service throughout the school.
  - Staying up-to-date with relevant CPD and developments in the CEIAG sector.
  - Producing careers information and guidance through online and hard copy literature, and visual displays in school.

- Organising workshops for pupils and actively promoting the careers service in-house at open evenings, presentation days, assemblies and parents' evenings.
- Developing incentives and initiatives which actively encourage pupils to sign up to the school's career service.
- Providing an open-door service for pupils once a week to drop in and discuss their options.
- Arranging meetings and follow-up appointments with pupils who are interested in the careers service.
- Offer support to past pupils for up to a year after their departure from compulsory education.

Teaching staff are responsible for:

- Ensuring careers education is planned into their lessons.
- Attending any relevant CPD or training to ensure they are up-to-date with the school's careers plan.
- Promoting careers guidance in the classroom through visual aids.
- Creating a learning environment that allows and encourages pupils to tackle real life challenges, manage risks and develop skills that can be applied to the workplace.

### **A stable careers programme**

- Davenant Foundation School has its own careers programme in place which meets the requirements of the eight Gatsby Benchmarks. The programme is reviewed termly against the benchmarks to ensure it remains on target.
- A Careers Leader and Student Services Co-Ordinator have been appointed to ensure the leadership and coordination of a high-quality careers programme. Both posts have been recruited alongside the suggested requirements to ensure the roles are correctly fulfilled. The name and contact details of both these posts are available on the school's website.
- A careers advisor is also employed to support the Careers Department in providing individual, tailored careers guidance to students.
- Details of the school's career plan is published on the school website inviting pupils, parents, teachers, governors and employers to provide feedback.
- The SLG Line Manager will work with the Careers Department and enterprise coordinators to build careers and employer engagement plans to broaden the range of guidance that students have access to.
- The school currently holds the Quality in Careers Standard and will continue to develop the careers programme to ensure re-accreditation when necessary.

### **Labour market information**

- The school will ensure every pupil, and their parents, has access to good-quality information about future study options and labour market opportunities.

- Pupils and their parents will be referred to the National Careers Service which offers information and professional advice via a website, helpline and web chat.
- The school will ensure pupils and their parents understand the value of finding out about the labour market, and support them in accessing this information. Pupils and their parents will be provided with information on the benefits of understanding the labour market, including the salaries and promotion opportunities for different jobs, and the volume and location of vacancies across different sectors.
- The school will ensure that all pupils, by the age of 14, have accessed and used information about career paths and the labour market to inform their decisions on study options.
- The school will provide pupils with the necessary links and information that will enable them to access this. Access will be monitored to review whether pupils are making the most of the service, and if not, what can be done to ensure they do.
- The school will make use of local enterprise partnerships to provide pupils with presentations and workshops on the local labour market and employer expectations. The information provided through the partnership will be used to shape career guidance and workshops in schools.
- To support social mobility, the school will work to raise pupils' aspirations and tackle stereotypical assumptions. Interventions will be used to tackle gender stereotypes; arrangements will be made for pupils to talk to employees who work in non-stereotypical jobs to raise awareness of the range of careers that science, technology, engineering and maths (STEM) qualifications lead to.

### **Addressing the needs of students**

- The school's careers programme will aim to raise the aspirations of all pupils whilst being tailored to individual needs. The programme will inform pupils of the range of opportunities available to them, encouraging them to aim higher and make choices relevant to what they feel they can achieve.
- All forms of stereotyping will be prohibited in the careers advice and guidance that is provided, to ensure pupils from all backgrounds, gender and diversity groups, and those with SEND, can consider the widest possible range of careers.
- Comprehensive and accurate records will be kept to support the career development of pupils. These will be stored securely in the careers office. The school will allow access to this information, should a pupil or their parent request it.
- The school will collect and analyse destination data to assess how well the careers programme is countering stereotypes and raising aspirations. The data will be reviewed by the SLG Line Manager and Careers Leader on a termly basis who can then base further development of the school's career guidance plan on the results and areas of success or failure.

### **Targeted support**

- The school will work with outside agencies to identify students who are in need of targeted support or those who are at risk of not participating in post-16 pathways. Agreements will be made over how these pupils can be referred for support drawn from a range of education and training support services available locally.
- The school will ensure that students understand the programmes available to support them and the financial costs associated with staying in post-16 further education.
- To support students who are likely to need support with post-16 participation costs, such as those with SEND, the school will work with outside agencies and local post-16 education or training providers to share students data and ensure these students receive such support.
- The school will ensure that pupils are aware of the 16-19 Bursary Fund, which has been devised to support those individuals with a financial hardship. Pupils will be advised of how to access this funding and who they should speak to in order to find out more information.
- The Careers Leader will engage with the designated teacher for LAC and previously LAC to ensure they know which pupils are in care/are care leavers, to understand their additional support needs and to ensure that any personal education plans can inform careers advice.

### **Students with SEND**

- The school will ensure that careers guidance is differentiated, if appropriate, and based on high aspirations and a personalised approach.
- All staff working with pupils will support them to develop the necessary skills and experience to succeed and fulfil their potential.
- The school will work with families of pupils to help them understand what career options are available.
- Careers guidance and experience will be tailored to pupils based on their own aspirations, abilities and needs. Surveys will be conducted to find out individual pupils' aspirations; the results will be used to personally tailor careers guidance.
- Careers guidance will take account of the full range of relevant education, training and employment opportunities. It will inform pupils about the ways employees with SEND are supported in the workplace, and how jobs can be adapted to fit a person's abilities.
- The school will build partnerships with businesses and other employers, employment services, and disability and other voluntary organisations. Pupils will be prepared for encounters with employers and provided with any special support that will allow them to benefit fully from the experience.
- Careers guidance will focus on a pupil's career aspirations and the post-16 options which are most likely to give the pupil a pathway into employment or higher education.
- The SEND local offer will be utilised; annual reviews for a pupil's education, health and care plan (EHCP) will be informed by good careers guidance.
- When arranging work experience for pupils, the school will work with the employer to determine any additional support that will be needed during the work placement.

### **Curriculum**

- The school will work to encompass careers education and guidance into subjects across the curriculum. All teachers will be asked to support the career development of young people in their role and through their subject teaching.
- The school will ensure that every pupil is exposed to the world of work by the age of 14.
- Pupils will be informed that if they do not achieve a grade 4 or higher in GCSE maths and English by the end of KS4, they will be required to continue working towards this aim as part of their 16-19 study programme.

- The school will engage with local employers, businesses and professional networks, inviting visiting speakers, particularly alumni with whom pupils can relate to.
- Every year, from the age of 11, pupils will participate in at least one meaningful encounter with an employer; at least one of these encounters will be with a STEM employer or workplace. These encounters will include:
  - Careers events such as careers talks, careers carousels and careers fairs.
  - Transitions skills workshops such as CV workshops and mock interviews.
  - Employer delivered employability workshops.
  - Business games and enterprise competitions.

### **Work experience**

- Davenant Foundation School will ensure that all pupils have had at least one experience of a work place by the age of 16, and one further such experience by the age of 18.
- 16-19 study programmes will require high-quality and meaningful work experience. A flexible approach will be adopted for younger pupils, such as the following:
  - Workplace visits
  - Work experience (1 week)
  - Job shadowing
  - Career-related volunteering and social action

### **Further education (FE)**

- Pupils are required to remain in education or training until their 18<sup>th</sup> birthday.
- The school will provide pupils with a range of information and opportunities to learn about education, training and career paths throughout their school life, to prevent last minute decision-making.
- Pupils will be encouraged to use information tools, such as websites and apps, which display information about opportunities, Education and training providers will have access to all pupils in Years 8 to 13 for the purpose of informing them about approved technical education qualifications and apprenticeships.
- The school will ensure that there are opportunities for providers to visit the school and speak to pupils in Years 8 to 13, by maintaining connections with providers of further education and apprenticeships, and arranging regular visits, presentations and workshops.
- A range of opportunities for visits from providers offering other options, such as FE will also be provided.
- A policy statement will be published on the school website and will include:
  - Any procedural requirements in relation to requests for access.
  - Grounds for granting and refusing requests for access.
  - Details of premises or facilities to be provided to a person who is given access.

### **Personal guidance**

- All pupils will be provided with opportunities for personal guidance interviews with a qualified careers adviser. Such interviews will take place by the time the pupil reaches age 16, with the opportunity for a further interview by the age of 18.
- Careers advisers will meet the professional standards outlined by the Career Development Institute. The school will integrate personal guidance interviews within the pastoral system so that they can be followed up by the form tutors or equivalent.
- Careers advisers working with pupils with SEND will use the outcome and aspirations in the EHCP to focus discussions.

- Careers advisers working with LAC or care leavers will use their personal education plan to focus discussions. These pupils will have a named adviser who will build a relationship with them to better understand their individual needs.

### **Information sharing**

- The school will provide the relevant information about all pupils to the LA support services including:
  - Basic information, such as the pupil's name or address.
  - Other information that the LA requires to support the pupil to participate in education or training to track their progress. GDPR guidelines will be followed.
- The school's privacy notice will offer pupils and their parents the opportunity to ask for personal information not to be shared.
- LAs will be notified, as early as is possible, whenever a 16 or 17-year-old pupil leaves an education or training programme before completion. The school will agree on local arrangements for ensuring these duties are met.

### **Monitoring and review**

- The governing body, in conjunction with the SLG Line Manager and Careers Leader, will review this policy on a bi-annual basis, taking into account the success of supporting pupils in accessing post-16 education and training.
- The SLG Line Manager will make any necessary changes to this policy, and will communicate these to all members of staff.
- The next review date for this policy is June 2020.

## Provider Access Policy Statement

Under Section 42B of the Education Act 1997, as of 2 January 2018, we have a duty to provide pupils in Years 8-13 with access to providers of post-14, post-16 and post-18 education and training. This policy statement sets out how we manage access requests from these providers.

### What are pupils entitled to?

Pupils must be allowed to:

- Learn more about technical education qualifications and apprenticeship opportunities, as part of a careers programme which informs pupils of the full range of education and training options available to them at each transition point.
- Hear from a range of local providers about the opportunities on offer, e.g., technical education and apprenticeships – this can be achieved through options evenings, assemblies, group discussions, and taster events.
- Understand how to apply to the full range of academic and technical courses available to them.

### Who handles our access requests?

Any provider wishing to request access should contact our careers leader on 0208 508 0404 or via email on: [reception@davenant.org](mailto:reception@davenant.org).

### What opportunities are provided to allow access to pupils?

Via our school careers programme, we offer providers numerous opportunities throughout the school year to speak to pupils and/or their parents. Our annual schedule of events is as follows:

## **Who should providers contact to discuss events and options?**

Providers can speak to our careers leader, to discuss possible attendance at relevant events.

Our Child Protection and Safeguarding Policy and Guest Speaker Policy set out the school's approach to allowing providers into school to speak to our pupils.

## **What are the rules for granting and refusing access requests?**

We welcome organisations talking to our students and will consider all requests. We will grant access requests from providers who meet the policy as outlined above. Failure to provide requested evidence of meeting the policy requirements will result in the request being denied

## **What can providers expect once a request has been accepted?**

Once we have approved a provider, we will work with them to identify the best method for providing access to our pupils.

We will make the school hall, classrooms and private meeting rooms available to host discussions between providers and pupils. We will also make presentation equipment, such as projectors and televisions, available to providers.

Arrangements will be discussed in advance between our careers leader and a nominated member of the provider's team.

## **Can providers leave prospectuses for pupils to read?**

Providers are welcome to leave a copy of their prospectus and other relevant course literature with the school librarian at the school library.

## **Approval and review**

This policy statement was approved by the governing board's curriculum and standards committee on **26.06.2018**.

The next review will take place on **06.2020**.
