AS A LEARNER (OR PARENT)

Typically Learners work with a LAMDA Teacher to choose the LAMDA Qualification they would like to sit, decide the level that's right for them and prepare for the exam. You can find a Teacher in your area using the Directory of LAMDA Teachers on our website. Learners are also free to prepare for exams without the assistance of a Teacher. In that instance, Learners can then take their exam at one of our public centres.

AS A TEACHER

Those new to teaching are strongly advised to complete the LAMDA Diploma in Communication, Speech and Drama Education (LSDE) or the LAMDA Certificate in Speech and Drama: Performance Studies (PCertLAM) in order to teach Learners and prepare them for LAMDA Examinations.

AS AN EXAMINER

LAMDA Examiners are experts in their fields and have been trained and standardised by LAMDA to assess Learners fairly and objectively. As the popularity of our qualifications continues to grow, we are always keen to hear from prospective examiners. If you think you have what it takes, please get in touch with us to enquire about our rigorous training programme and opportunities.

OUTSIDE THE UK

LAMDA Examiners assess over 14,000 Learners each year at international private and public centres. To find out if we hold examinations near you, or to discuss the possibility of setting up an international centre, please visit the LAMDA website or get in touch with us directly.
