Return to School after Half Term: Monday 4th November (Week 2)

Key Dates

These dates are correct at the time of publication, please refer to the calendar on the website for changes and additions to these dates.

Wednesday 6th November

Early Closure - 2.30pm

Sixth Form Open Day

Thursday 7th November

Late Start - 9.30am

Saturday 9th November

Fireworks Display 5.30pm

Friday 15th November

Last Day for Shoebox appeal

Monday 18th November

Flu Vaccine

Tuesday 19th November

Early Closure - 2.30pm

Key Dates

Year 11 Mock Exams

Monday 25th November to
Friday 6th December

Friday 29th November

Inset Day

Thursday 5th December

Year 13 Parents Evening

Friday 6th December

Non Uniform Day (Bring a bottle/
box of chocolates)

Saturday 7th December

Christmas Fair

Wednesday 11th and Thursday 12th
December

Christmas Concert

Friday 20th December

Last Day of Term - Early Closure

Message from the Headteacher

I can't believe we are at Half Term already, but it is also a week later than we are all used to. Everyone is ready for the much needed break. Time to re-charge and get ready for the run to Christmas, I can't believe I'm using the Christmas word too. It has been a very positive start to the year. Our results and attendance have again put us at the top end and what our staff and students achieve is always amplified with good parental support. Thank you.

Students have been very proactive with the new Trust Point system which very much encourages students to take ownership of their behaviour and ensure they make the best choices as often as they can. We are using feedback from staff and students to update and modify areas of the concept to make it as supportive and efficient as we can. We have already had interest from other schools asking how it is working.

This week I came upon a box of newsletters dating back to 1912 through to the early 80s. It has been fascinating reading to see what the students and staff were up to. Once the new 6th form building is complete later next year, we will be curating a big history of Davenant exhibition which will be open to past and present students and staff.

Next half term we have much to look forward to, rehearsals for Beauty and the Beast, the school concerts, Christmas fayre, Fireworks night as well as all the sports fixtures and clubs.

Christmas Meal and Jumper day will be on the penultimate day of term to get everyone in the mood for the break, as well as aiming to beat any previous year's shoe box appeal. Please keep going with filling the shoe boxes, it is something we are very proud of achieving and the students like to make a difference.

Year 11 have their mock exams coming up. It is so important that they treat these seriously. For years people used to say, when are mocks ever used, then covid showed up. They are also a great indicator of where they are and what they and their teachers need to do to improve their chances in the summer. The teachers can help more if the mock is a true reflection of where they are at this time. We know it can be challenging, but working hard and learning the techniques and resilience is crucial to success.

I wish everyone a very enjoyable half term whatever you are all doing.

Take care, stay safe and we will see you all in November.

God Bless,

Mr Thorne

Careers - KS4 and Beyond

Our recent Key Stage 4 and Beyond information evening enabled Year 10 and 11 students and their parents to learn about different qualification routes after GCSE from Davenant Sixth Form (A Levels) and Capel Manor College (T Levels and vocational qualifications). Attendees also heard from past Davenant students about their own career journeys since leaving school, which included apprenticeships with the Metropolitan Police and working in the financial sector completing qualifications in accounting and wealth management.

Mrs Gardner, Careers Leader, said "Learning about all the options available to you after GCSEs will help you to make an informed decision about what you want to do when you leave school. Sixth Forms and colleges hold open days throughout the Autumn and Spring terms and I would recommend visiting as many as you can to see what's on offer."

The Davenant Careers Site has information about upcoming Sixth Form and college open days and Post 16 options.

Our Davenant Sixth Form open evening is on Wednesday 6th November, 6-9pm.

Careers – Dates For Your Diary

20th March 2025 - Year 10 Child to Work Day

This day gives all Year 10 students the chance to attend work with a parent/carers or family member/friend. Please start planning now where your child is going to do their workplace experience.

7th-22nd July 2025 – Year 12 Work Experience

As part of our Careers Enrichment Programme, all Year 12 students are asked to find work experience at the end of the summer term. We encourage students to start looking early to find a placement linked to their future career aspirations or in an industry they find interesting.

More information about work experience will be sent out from the Careers Team in the spring term.

CareersFest

Our annual careers fair to meet employers, universities, sixth forms and colleges will be taking place on Thursday 6th March at New City College, Epping Campus from 3-6.30pm. This is a great opportunity to speak to people directly from recruiting employers and qualification providers that all have opportunities for our students. Come along and learn networking skills and make some great contacts for work experience and your future career. This is a public event put on by the Epping Forest Careers Consortium.

Supporting Careers

If you would like to get involved in supporting our careers programme, the Careers Team are always looking for individuals to help with careers talks, mock interview sessions, assemblies and work experience. Please get in touch at careers@davenant.org

Careers Talk

This week, Davenant alumni returned to inspire students with insights into careers as a credit officer, a software engineer, people consultant, and managing consultant at Lloyds Banking Group, AMEX, NatWest Group, and Deloitte. They shared how crucial it is to leverage networks, keep learning, and turn passions into platforms for change. *"You miss 100% of the shots you never take,"* they reminded students, encouraging them to seize opportunities with confidence. It was fantastic to see Year 11-13 students so engaged, asking well-thought-out questions that showed real curiosity. Speakers also emphasised the importance of developing soft skills—like communication and adaptability—alongside technical expertise, empowering students to shape their future with purpose.

Hopefully, this is something we can continue throughout the academic year, bringing in professionals across diverse industries to inspire students' aspirations.

Houses of Parliament Trip

As part of the school council, we were very fortunate to be able to visit the Houses of Parliament Education Centre. At the centre we were split into 2 groups and given headsets to help us hear our guide. Our guide was very nice and answered all our questions. We were led through the different buildings and were able to stand in the King's Entrance which is only for the Monarch and school groups so even the prime minister will never be let in there. This is because they believe that the new generations should be able to experience everything the houses of parliament have to offer. We got to see Queen Victoria's dressing room with her own little throne. Queen Victoria was

particularly small so she had built her own footstool which still remains there today. This then went into a room with many paintings. The room also had a table with many papers on it, some green signaling that they were the government's consultation on policy and the white papers were published statements of government policies or strategies. We were lucky enough to be given some copies of the new policies, one being about the water in the Thames. From this room we were guided into a room about Henry the VIII and his wives. There were beautiful paintings of them on the walls. After this we went into the House of Commons which is an elected group of 650 people representing different constituencies. This then exited into a hallway which led us to the House of Lords. There is no set number of people in the house of Lords but as of the 9th of October 2024 there will be 804 members sitting. They have the red seats because back when it was rebuilt red dye was more expensive than green dye. The Lords wanted to "one up" the house of commons. We went down the hallway between the House of Commons and the House of Lords. The door outside the house of commons has a dent in it from years of The Usher of the Black Rod knocking to signal that the House of Lords is ready to begin. Our guide even let us

knock on the door. Next our tour took us to the side of the House of Commons which is where the MPs go for recess to be counted on whether they vote for or against something. Finally for our tour we went into the House of Commons and saw the throne inside. We were surprised to see that compared to on the news it looked much smaller than we had imagined it. After our tour we went back into the education centre and had a little exercise creating and presenting our own bills about transport, health, education etc. This was fun to do because we were able to show our passion and ideas about our various causes to the rest of the council. This ended our lovely visit to the Houses of Parliament, it was lots of fun and very interesting.

Creative Hub Club

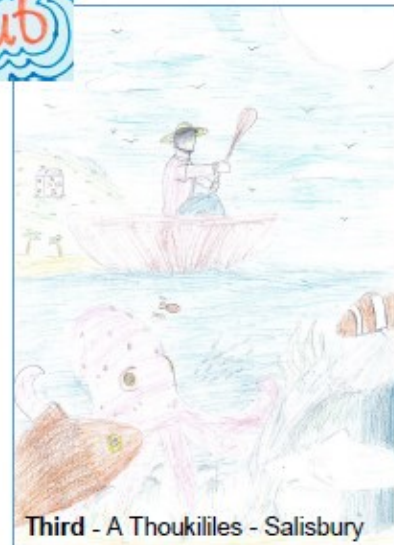

First - A Gardner - Gillingham

Second - M Wanasen - Gillingham

Mr Thorne set a house competition to design a mural for the Boys toilets in the Art Corridor and the Girls in the Maths corridor, open to the students attending the Creative Hub Club. There was a fantastic response to the brief, focused around the theme of nature,

Third - A Thoukililes - Salisbury

GIRLS MURAL Winners

Creative Hub Club

Second: E Plant - Salisbury

First: L Rakowski - Salisbury

BOYS MURAL Winners

Third - W Johnston - Gillingham

Miss Webb and the Creative Hub Club team will be painting the murals. The final design will merge different elements from the 3 top designs. Images of the finished walls will be shared in the newsletter when work is completed

UK Maths Challenge

UK Maths Trust

The Maths Department would like to celebrate the achievements of some very talented and gifted Mathematicians in Y12 and Y13. Every year we enter students into a National competition called the UK

Maths Challenge. It is essentially a challenge designed to make students think outside the box and be able to use mathematical techniques to solve interesting, unfamiliar and challenging problems!

53 students took part in the challenge of which 38 got a bronze, silver or gold certificate. We would like to congratulate A. O'Boyle, M. Mardsen, S. Chan and J. Ioannou who all did exceptionally well and made it to the next round.

Jewish Society

On Thursday lunchtime we held our first JSOC session of the academic year and welcomed some new faces. We arranged a creative session where students designed their own Challah covers to take home. Students also had the chance to blow the shofar and we were very impressed with some of their efforts! It was great to see some new faces with our regular group to see in the new school year.

Jewish Society

Continued

Rabbi Posen at Epping Chabad has gifted the students at Davenant a Lulav and Etrog, for them to use during Sukkot. They have been available to students at lunchtimes this week, they've been coming in to shake it and say the blessing which has been nice to see!

LULAV BLESSINGS

Hold the lulav in your right hand (unless you're a lefty), with its spine facing you. Face east and say:

ברוך אתה ה' אלהינו מלך העולם אשר קדשנו
במצותיו וצונו על גטילת לולב

Blessed are You, L-rd our G-d, King of the Universe, who has sanctified us with His commandments and commanded us regarding taking the lulav.

Bah-rookh ah-tah ah-doh-noi
eh-loh-hay-noo meh-lekh hah-oh-lahim, ah-shelir
ki-deh-shah-noo beh-mitz-voh-tahv
veh-tzee-vah-noo ahl neh-tee-lahit loo-lafiv.

Pick up the etrog in your left hand (if this is your first time performing this mitzvah this Sukkot, also say the Shehechyanu blessing below). Bring them together and you've done the mitzvah. The custom is to wave the arba minim three times in all six directions—south, north, east, up,

Shehechyanu Blessing

When eating in the sukkah or taking the lulav and etrog for the first time this year, say the following blessing:

ברוך אתה ה' אלהינו מלך העולם שהחיינו
וקיימנו והגיענו לזמן הזה

Blessed are You, L-rd our G-d, King of the Universe, who has granted us life, sustained us and enabled us to reach this occasion.

Bah-rookh ah-tah ah-doh-noi
eh-loh-hay-noo meh-lekh hah-oh-lahim
sheh-heh-kheh-yah-noo veh-kee-mah-noo
veh-hig-ee-yah-noo iz-mahn hah-zeh

**Gifted To The Jewish Students of Davenant
From: Rabbi Yossi – Epping CTeen Club**

PSHE Updates: Workshop & Activities

We are pleased to share that this term our students have recently participated in a series of rewarding internal and external workshops across all year groups. These events have significantly enriched their personal, social, health, and economic education, providing them with valuable insights and skills for their future. Below is a summary of the workshops and the benefits they have gained from these experiences:

Year 7

Anti-Discrimination/Bullying: Students gained awareness of the effects of discrimination and bullying, fostering a more inclusive school environment.

Road Safety Play: This workshop equipped students with essential knowledge about road safety, promoting responsible behaviour and reducing risks.

Arson, Hoax & Antisocial Behaviour: Students learned about the consequences of these actions, encouraging positive choices and community responsibility.

Stop and Think: This session helped students develop critical thinking skills to evaluate their choices and understand the importance of their decisions.

Emotional and Physical Wellbeing (Diet, Fitness, Nutrition): Students explored healthy lifestyle choices, empowering them to make informed decisions about their health and well-being.

Year 8

Resilience: This workshop taught students strategies to cope with challenges and bounce back from setbacks, fostering emotional strength.

Home Safety: Students learned about safety measures at home, enhancing their awareness and preparedness for various situations.

Body Image and the Media: This session encouraged students to critically assess media influences on body image, promoting self-esteem and healthy perceptions.

Year 9

Substance Abuse (Drugs, Alcohol, Vaping): This session provided vital information on the risks associated with substance use, equipping students to make safe choices.

PSHE Updates: Workshop & Activities

Year 9 Continued

Knife Crime and Self Defence: Students received education on the dangers of knife crime and self-defence techniques, promoting personal safety.

KS4

Christian Education Project: Religious Studies provision: Guest speakers provided insights on how faith makes a difference to their personal lives and also their communities. Groups include Street Pastors and Teen Challenge, who help people with addictions.

Stand Against Violence: Alcohol & Drugs: This workshop addressed the impact of violence and substance abuse, encouraging students to adopt a proactive stance against these issues reinforcing the importance of making healthy choices and resisting negative influences.

Road Safety Play: Students learned essential safety practices, further promoting responsible behaviour.

KS5

Wellbeing and Relationships Day: This event focused on the importance of healthy relationships and mental well-being, helping students build positive connections.

Wise Up Financial Education (Credit Cards & Credit Ratings): Students gained critical financial literacy skills, preparing them for responsible financial management in adulthood.

Anti-Discrimination: This workshop fostered understanding and empathy, equipping students to challenge discrimination in their communities.

These workshops are designed to equip our students with essential knowledge and skills to navigate various challenges they may face. We appreciate your continued support in fostering a safe and informed environment for our children.

Lost Property

Uniting lost property with owners is important to us. There is a small group of dedicated parent/carers volunteers who regularly give their time on a Wednesday lunchtime to help students find their lost items and these volunteers are located in the “Lost Property Cupboard” next to the swimming pool and students looking for items should go to this area on a Wednesday lunchtime.

However, as we are sure our parents/carers appreciate, this is a large school site and students leave their items in many places. The Lost Property Team can only reunite students with items if the item has been taken to the lost property cupboard or Reception and unfortunately not all items are always found. To that end, **it is essential that all clothing/accessories are properly labelled** with the full name of the student to ease the return process. If the item is labelled, Reception will contact the Form Tutor and/or the parent to let them know the item has been found. Any glasses, jewellery, watches etc. found will be kept in Reception for safe keeping so please encourage your child/ren to visit Student Reception to check. It is the responsibility of the students to keep their items safe and we strongly encourage that they retrace all steps when they have lost belongings.

Any good condition pieces of clothing that are unnamed, after they have been kept for a lengthy period of time, will be included in our “Second Hand Uniform” sales and parents/carers will be advised beforehand when these sales are taking place.

We are continually looking for Parent/Carer Lost Property Volunteers to help on a Wednesday lunchtime.

Please email reception@davenant.org if you would be interested in helping.

Thank you.

Parents' Association

This term is always an extremely busy and exciting one for The Parents' Association.

A LITTLE UPDATE

We raised just shy of **£1200** at the Year 7 Quizingo! Thank you to all of our Year 7 parents and students – much fun was had by all!

We raised just over **£300** by selling refreshments at the Year 6 open day!

We now have Year 7, 8 and 9 reps for PA communications and this set up is working extremely well. If any parents in older years would like to consider becoming a reps please do let us know.

Please join our Facebook and Instagram pages for a list of upcoming events.

UPCOMING EVENTS

Fireworks Spectacular - Saturday 9 November!

Following the last two years of success, we are looking forward to another fantastic Fireworks display! The PA has been working hard behind the scenes to ensure that this will be a great social event for the Davenant community.

Tickets are selling at a much faster pace than previous years so please book now to avoid disappointment as numbers are limited.

Tickets are available on Bookwhen – details are on Talaxy, on our social media pages and WhatsApp groups as well as the information tabs in the booking link.

Parents' Association

Christmas Fair - Saturday 7 December!

Believe it or not, preparations are already underway for this year's Christmas Fair.

Thank you to all parents who have kindly agreed to help support the school by having a Churchill Estate Agents board outside their home to promote the Christmas Fair. Boards will appear week commencing 18 November.

The PA will receive £500 for 50 boards.

If anyone can match fund this through their business the PA will receive £1000!

The Christmas Fair promises to be much fun so we ask that you get into the festive spirit, don your festive jumpers and come along to support the school.

There will be full of lots of festive stalls, games, a plushie raffle, a chocolate tombola, a wine tombola, a gladiator duel, a cake and refreshments stall and much more!

Christmas raffle donations

If you are able to sponsor or donate a gift for the luxury Christmas raffle, please contact us. Thank you to those who have already kindly donated but we still require more donations.

If you are able to help, please contact us via a class rep or email davenantpa@hotmail.com.

We look forward to seeing you at Fireworks soon!

Wishing you all a lovely half-term.

Your PA

davenantpa@hotmail.com

Charity Walk

Thank you to all of the students who took part in the Charity Walk in July and to those of you who donated. We were very pleased to receive £3511 which was split between the two charities below:

Teenage and Young Adult Dept - University College Hospital Macmillan Cancer Centre

The University College Hospital Macmillan Cancer Centre welcomed its first patients in April 2012. It is now a busy centre providing facilities for the diagnosis and treatment of a wide range of cancer and non-cancer conditions alongside Macmillan Support and Information Services for patients, their carers and families.

Young Lives vs Cancer

At Young Lives vs Cancer, we help families find the strength to face everything cancer throws at them. We know everyone's different, so we work hard to provide support that's easy to access and meets individual needs. We shape the work we do around six core principles. Please click on the link for further details:

<https://www.younglivesvscancer.org.uk/what-we-do>

Black History Month

To celebrate Black History Month, the kitchen made some special dishes including

Caribbean favourite rice & peas and jerk chicken

West African favourite jollof rice

It has been a hit with the students and staff!

Fundraising for an Ex-Davenant Student

Jay's Story

Jay's first symptoms were headaches and loss of peripheral vision. His GP put them down to migraines. Still worried, Jay and his family went to A&E at the Princess Alexandra Hospital in Essex for a scan.

Toni, Jay's mum, said: "After waiting for 10 hours, the results came back that Jay had a brain tumour. We were heartbroken. We had no knowledge about brain tumours. But we were glad we followed our guts and pushed to find out what was wrong with Jay."

The doctors scheduled an immediate operation to remove as much of the tumor as possible.

Toni said: "We couldn't believe what we were hearing, it was so surreal. All at once panic and fear kicked in. Jay was so brave, and we are so proud of him. His doctors explained how major the surgery was and said that he may not come back the same person he went down."

The surgical team removed the mass after nine hours of surgery. 13 days later the family received the devastating news that tests showed it was a glioblastoma – the most aggressive brain tumour.

Toni said: "There will never be the right words to describe how we felt receiving this devastating news. The closest I can get is: our whole world fell apart."

After surgery, treatment included six weeks of radiotherapy and 20 gruelling months of chemotherapy. Jay coped but was left with severe fatigue and other challenges affecting his memory and vision. He lost his hair and his confidence; he felt sick all the time and slept for almost 20 hours a day.

Jay's brain tumour diagnosis and subsequent treatment meant he had to surrender his driving licence. And his memory loss causes him a significant amount of confusion when doing day-to-day tasks and he finds it difficult to concentrate. Despite this, Jay is trying to rebuild his life with support from his friends and family.

Jay has regular scans to monitor his tumour and he and his family praise the care he received and thank the vital research into brain tumours that has allowed Jay to be here today.

Toni said: "Research into glioblastomas is 100% vital and knowledge and awareness of brain tumours is key. There is nothing more important than saving people's lives and without research the devastating reality is that lives will be lost."

In April this year, Toni ran the London marathon to raise vital funds for us to continue supporting the community and funding research.

To support Jay and his life-saving treatment, please donate on this link: <https://gofund.me/5a38b1bb>

Essex's 'best' school with 'excellent education' and top attendance rates

MPs, a Premier League footballer and a star of Aladdin have all studied at the school

An Essex comprehensive school offering an "excellent education" has come out on top compared to others for attendance rates. The Davenport Foundation School in Loughton has Essex's lowest absence rate when compared against other comprehensive schools.

The number of unauthorised absences at state-run secondary schools across the country has more than doubled since the pandemic. Just 1.5 per cent of school sessions - defined as half a day of school per pupil - were missed due to unauthorised absences in the autumn and spring terms of the 2018/19 academic year.

That rose to three per cent in 2022/23 and reached 3.2% in 2023/24 according to the latest official figures. But the rates at some schools are far higher than at others.

New figures released by the Department for Education shows that the Davenport Foundation School had the county's best attendance rate. It ranked alongside a number of Essex's selective schools, including Colchester Royal Grammar School, Southend High School for Boys and Chelmsford County High School for Girls, where the percentage of sessions that were unauthorised absences was zero.

Ofsted inspectors graded Davenport Foundation School as Good overall. [Their report](#) said: "Davenport pupils are proud of their school and its heritage. The school's vision of 'nurturing mind, body and spirit' is embedded in the life of the school. Pupils value the many opportunities provided for their personal development."

The Christian school has just over 1,200 students according to the [Department for Education](#). Their website says: "We believe that our aim and ethos prepares our students for life in modern Britain. The school's ethos strongly supports the promotion of values such as tolerance, respect, democracy and the rule of law.

"The distinctive aim for our school is to "nurture mind, body and spirit" of every student and to provide a wide range of opportunities for students to develop their full potential."

In 1966 the school was visited by Her Majesty Queen Elizabeth the Queen Mother to open new buildings. She returned again in 1980 to celebrate the school's 300th anniversary since being founded.

Previous students include former MPs James Brokenshire, Phil Piratin and Leslie Solley. Former Arsenal and West Ham footballer Carl Jenkinson and star of Aladdin Naomi Scott also studied at Davenport Foundation School.

Davenant Foundation School

Prayer Letter: September-November 2024

September heralded a new start for many of us at Davenant: a new leadership team began their work of supporting and nurturing the students and staff at Davenant. Students arrived in their oversized uniforms, ready to begin a new academic year, with new teachers, new classes, new subjects and new opportunities. For some parents, they were dropping their children off to their new school, ready to begin their brand-new journey as Davenant students.

September is always a time of great renewal in schools: I remember being told, as a new teacher, to take a look around on INSET day and note how my colleagues looked because I wouldn't see them this rested again until the following September. This rings true for me every year and the difference is most keenly felt between October half term and Christmas, when the nights are drawing in and the term feels particularly long.

Please consider Philippians 4:13, 'I can do all this through him who gives me strength' and pray that the teachers, support staff and students at Davenant feel God's strength over the coming weeks and months and that they are renewed by this and feel able to flourish despite the challenges presented by this time of year.

Our first prayer meeting of the year is taking place this Thursday, 24th October, in the Arter Library at 6.30pm. It would be wonderful to see as many of you there as possible. It has never been more crucial to support the work of the school with prayer.
