

ENRICHMENT CHOICES 2020-21

Name: _____

Please indicate below your preference for enrichment in September. You must choose two options in order of preference for each term unless your activity states it will run for 2 terms.

While every effort will be made to accommodate your choices, each activity has an allocated number of places, so there is a chance you will not get your first option.

If you are opting for a placement outside of school, primary school, care home, charity shop, work experience, and you have a preference on where you go, please indicate this next to your choice.

For example:

Term 1: Primary school (would like to go to Thomas Willingale). This cannot always be a guarantee you will be able to go there but we will do our best.

Term	First Choice	Second Choice
Term 1		
Term 2		

Enrichment options may be subject to change on occasion due to circumstances beyond our control.
